WORK EXPERIENCE:

Kiosk Staff, August 2018 – Present

Etihad Stadium, Manchester

- Restocked, arranged and organized merchandise in front lanes to drive product sales.
- Checked identification for proof-of-age and refusing alcohol and tobacco sales to underage customers.
- Took customer orders and capitalized on opportunities to sell special beverage and food options.
- Polished glassware, bussed tables and removed debris to keep customer areas fresh and clean.
- Applied excellent organizational and multitasking abilities to handle simultaneous customer, team and business needs while avoiding unnecessary delays or errors.

Aerospace Student Ambassador, March 2018 – June 2019

University of Nottingham, Nottingham

- Interacted with university and prospective students and parents during tours and student visit days, answering questions and providing insight.
- Led campus tours for prospective students during open days and UCAS days.
- Built personal relationships with guests to promote positive experiences.

Online GCSE Maths Tutor, January 2018 – Present

MyTutor.com

- Educated students on study tips and exam strategies.
- Collaborated with students to complete homework assignments, identify lagging skills and correct weaknesses.
- Tracked learning progress in order to identify opportunities to enhance tutoring methods and help students achieve their goals.

ADDITIONAL SKILLS AND QUALIFICATIONS:

- Proficient in use of the Microsoft Office, MATLAB, 3D Experience CATIA and Internet whilst studying at university.
- Self-learnt HTML, CSS, and JavaScript, at beginners' level
- Urdu at native speaking and writing level
- Sign Language at beginner's level

ACTIVITIES:

University of Nottingham Aerospace Society - Social Secretary

- Improved verbal and written communication skills: Verbal through communication with other committee members and written through emailing other university societies/organisers
- Organised and hosted night outs, pub quiz and other social activities
- Played for their football team in the IMS league which developed my team working skill

University of Nottingham Lacrosse Club

- Improved communication skills as it is a team sport, and communication is a vital key to winning games
- Developed problem-solving skills whilst playing under-pressure by making tactical movements during the game to make sure our team can defend and attack effectively
- Gained resilience when games were lost

University of Nottingham Sign Language Society

- Acquired the skill of being able to communicate in sign language
- Being able to communicate in sign language allows me to be inclusive to the deaf community

University of Nottingham Skydiving Club

- Developed skydiving skills with skydiving lessons and solo jumps
- Conquered fear of heights by facing it

Royal Airforce Air Cadets - 2468 Squadron, Manchester

- Learnt how to fly an aircraft, glider; and had 3 Chinook helicopter flight experiences – Achieved Blue Gliding Wings
- Achieved a rank of a Sergeant and Instructor cadet due to my great leadership skills
- Attended camps for adventure training, aerospace, target shooting and First Aid
- Gained a British Heart Foundation Heart Start Certificate and a BTEC in Aviation Study
- Participated in Remembrance Day parade and battle of Britain parade every year for four years
- Attended a Method of Instruction Course so I can run activities rather than a staff member running it.
- Achieved a bronze radio communication badge – an advanced course where I learnt how to operate and communicate through radios (with NATO phonetic alphabets)
